

## Sewer Advisory Committee Meeting

March 22, 2021

Bill Cutler  
Bill Dykstra  
Nate Gillette  
Mary Ann Anderson  
Matt McConnon  
Brandon Mieras

The meeting was called to order at 6:40pm.

The committee discussed several options to begin updating and repairing our sewer system. The following are the recommendations.

### Recommendation

- Force Main – maximum of \$65,000
  - o Televiser entire force main
  - o Clean sections identified
- Generators
  - o Tree removal, excavating and retaining wall – maximum of \$40,000
  - o Generators – maximum of \$155,000

### Other action items:

- Get list of parts that the township owns.
- Get list of any spare pumps or equipment.
- Get list of common components to be replaced.
- Get quotes for replacing pumps at lift stations.
